book online at www.redbridge.gov.uk and search **bulky waste**.

*(American style fridge/freezers cannot be collected)

What is bulky waste?

Bulky waste is large items householders no longer want or need, but that we are not able to take away as part of your everyday rubbish collection.

Enforcement Officers will take action against untidy front gardens and waste left on the Highway

Collection process

- items will be collected on the day after the doorstep rubbish and recycling collection in your area
- items left out for collection must be in the front of the property, in the communal bin shed in the case of blocks of flats, by 7am on the agreed day of collection
- if you are using a communal rubbish area to leave the items for collection please tell us if there are special arrangements to gain entry

Book a free collection by visiting www.redbridge.gov.uk or calling the customer contact centre on **020 8554 5000**
