

Co-ordinated Admissions Process – Transfer to Secondary School

Allocation of Secondary School Places as at 1 March 2023

The information below explains the initial school allocations procedure for Year 7 places in September 2023, in a little more detail. It gives the cut-off criteria/distances by which the last child was offered a place at the 19 Redbridge secondary schools according to the schools' admission criteria. It is important to note that offers are made according to how parents ranked their preferred schools and whether their child met the criteria for them.

Please remember that the allocation process continues as vacancies arise after 1 March 2023 so these details are only accurate as at the time this letter was printed. In addition, late applications will be re-ranked on waiting lists according to policy, from 2 March 2023 onwards.

IMPORTANT: Waiting lists will end on 31 December 2023 for this group of applicants. You must re-apply by 31 December 2023 if you want your child to remain for consideration after 31 December 2023. However, from the end of Year 7, waiting lists will end on 31 August every year for most schools, not only those in Redbridge. So, in order for your child to be considered on any school's waiting list after that date you must re-apply, in writing, naming those schools in your preferred order to Redbridge or other boroughs – in some cases direct to certain schools themselves. For Redbridge schools please use the In Year application form online and submit it during the month of August 2023. Only two schools in Redbridge, Chadwell Heath Academy and The Palmer Catholic Academy, will expect you to apply direct to them on their own application form from 31 August each year.
