Subject: Redbridge Local Plan

To:

Good morning,

The Inspector wishes to draw attention to the hearing statement provided by the Aldborough Hatch Defence Association R1098 in relation to Issue 4a Crossrail Corridor. As indicated in the original representation from that organisation this includes updated traffic evidence.

In the interests of fairness and to assist the examination the Inspector is willing to receive any comments you may have on this submission by Monday 5 June. This will be published as an examination document in the normal way.

Kind regards,

**Andrea Copsey**

**Local Plans Programme Officer**
