

**Council's response to Inspector's update, 27<sup>th</sup> June 2017**

The Inspector wrote to the Council on 27<sup>th</sup> June setting out the current position in relation to the examination hearings and asked for clarification on certain matters.

Regarding the outstanding matters raised in paragraph 5 of the letter, an update on a site at St. Swithin's Farm will be published on 14th July. The details of the status of the Old Parkonians Association as a party to a statement of common ground (CED023) will be published on 28th July.

The Council is currently working on the three more substantive matters highlighted in paragraphs 7-15 of the Inspector's update. A response to all three matters will be published online in the normal way as examination documents on 28th July.
