

STR31

**SPECIAL TREATMENT
EQUIPMENT REGISTER**

Please list all electrical or autoclaving equipment used or intended to be used on the premises - (sunbeds, waxing units, electrolysis units, etc)

NO	DESCRIPTION	QTY	LOCATION

If necessary, please use a continuation sheet

NOTE:

You are required, under the Special Treatment & Electricity at Work Regulations 1989, to ensure that all electrical equipment is maintained and in a serviceable and safe condition. You will therefore be required to submit annually, a certificate from an approved Electrical Engineer stating that the above items have been tested and are in a serviceable condition in accordance with these regulations.
