Dear Sir/Madam

I am very concerned that the Local Plan will include the development of The Sainsbury's site in George Lane, South Woodford and the perceived threat to the Odeon Cinema. I ask that the Odeon Cinema be classified as an Asset of Community Value.

Also I am very concerned at the proposed closure of the Main Post Office in George Lane as this is also an Asset of Community Value as the Post Office in the Broadway, Woodford Green has been closed and it is essential that South Woodford Post Office is retained.

Yours faithfully

Jin Goodfellow
