WHERE CAN I PARK WITH A PERMIT?

- A School Drop Off and Pick Up Permit entitles the holder to park in a designated car park. A failure to display the correct permit for your car park could result in a penalty charge notice being issued.
- Vehicles must park entirely within the bay markings.
- Buying a parking permit will not guarantee that a parking space will be available and does not render the council subject to any liability in respect of loss or damage to any vehicle in a parking place or the contents or fittings of any such vehicle.

WHERE DO I PUT MY PERMIT?

- Please place your permit on the passenger side of your vehicle in the FRONT WINDSCREEN. You are responsible for making sure that your permit can be seen clearly at all times.
- A failure to display the relevant permit correctly could result in a penalty charge notice being issued.

RENEWING YOUR CURRENT PERMIT

- You are responsible for purchasing a new permit when the current one expires – you will not be sent a reminder prior to the expiry date. Application forms are available to download from www.redbridge.gov.uk.

CHANGE OF VEHICLE:

- If you have changed your vehicle you must not alter your existing permit. Any alterations made to a permit will make it invalid. Instead you must return your original permit, together with new vehicle details. A replacement permit will be issued which will show the same expiry date as your previous permit. You are required to pay an administration charge of £20.00 for this service.

LOST OR STOLEN PERMITS

- If your permit has been lost then a new application will have to be made at the full permit rate.

- If your permit has been stolen, a replacement can be ordered, you will need to complete a 'Changes, Replacements and Refunds' form and supply the required documentation, the replacement permit will show the same expiry date as your previous permit. You are required to pay an administration charge of £20.00 for this service.

REFUNDS

- The permit remains the property of the London Borough of Redbridge. It is issued subject to the relevant traffic management orders of the London Borough of Redbridge, which may be varied.
- Permits cannot be transferred between individuals. If a permit is no longer required, it should be returned to the Parking Management Office whereby if requested a refund will be issued for each full calendar month left on the permit. The administration fee of £20.00 will be deducted and a cheque will be issued to you for the remaining balance. If we have to cancel your permit because of fraud or misuse then you will not be eligible for a refund.

ENFORCEMENT OF REGULATIONS

- The Council is responsible for enforcing parking bays and car parks. Civil Enforcement Officers regularly patrol the car parks to ensure adequate enforcement and any driver of an unauthorised parked vehicle will be liable to be issued with a Penalty Charge Notice.
