YOUR ENTITLEMENT TO A PERMIT

- Every business located within a controlled parking zone, which has permit parking, is entitled to apply for a business permit for use by their employees.
- Business users within the South Woodford Controlled Parking Zone may also apply for season tickets for use in selected pay and display car parks, but subject to demand, the number issued may have to be limited.

PERMIT CHARGES

- **BUSINESS PERMIT** - Permits are available for a duration of 6 or 12 months. Costs are as follows:

	6 months	12 months
Business Permit Cost	£284.75	£544.75

- There is no upward limit to the number of permits that can be issued to a business, provided the criteria can be met for each application.

WHERE CAN I PARK WITH A BUSINESS PERMIT?

- A business permit entitles the holder to park in any vacant business permit bay and, in certain pay and display car parks, within the controlled parking zone specified on the permit. A failure to display the correct permit for your zone could result in a penalty charge notice being issued.
- Business permits are not valid for parking in suspended bays or for parking in resident permit bays, pay & display bays, yellow lines, off street housing estates and car parks EXCEPT where otherwise stated by signs at the locations.
- The restricted hours will be displayed at the entry points to the controlled parking zone and in some cases on signs adjacent to the bays.
- Vehicles must park entirely within the bay markings.
- Buying a parking permit will not guarantee that a parking space will be available and does not render the council subject to any liability in respect of loss or damage to any vehicle in a parking place or the contents or fittings of any such vehicle.

SUSPENDED BAYS

- The use of the parking bays may be suspended by police officers, parking attendants or by authorised council officers without prior notice. Parking is not permitted in suspended bays and even if a valid permit is displayed, a penalty charge notice will still be issued.

WHERE DO I PUT MY PERMIT?

- Please place your permit on the passenger side of your vehicle in the FRONT WINDSCREEN. You are responsible for making sure that your permit can be seen clearly at all times.
- A failure to display the relevant permit correctly could result in a penalty charge notice being issued.

RENEWING YOUR CURRENT PERMIT

- A business permit is valid for 6 or 12 months. You are responsible for renewing your permit when it expires – you will not be sent a reminder prior to the expiry date. We advise that you renew your permit at least three weeks before it runs out. To renew your permit, please send a completed business permit renewal form, along with payment, to the Parking Team. The permit renewal form is available to download from www.redbridge.gov.uk.

CHANGING YOUR DETAILS

REFUNDS

- The permit remains the property of the London Borough of Redbridge. It is issued subject to the relevant traffic management orders of the London Borough of Redbridge, which may be varied.
- Permits cannot be transferred between individuals. If a permit is no longer required, it should be returned to the Parking Management Office whereby if requested a refund will be issued for each full calendar month left on

the permit. The administration fee of £24.75 will be deducted and a cheque will be issued to you for the remaining balance. If we have to cancel your permit because of fraud or misuse then you will not be eligible for a refund.

ENFORCEMENT OF REGULATIONS

- The Council is responsible for enforcing parking bays and restrictions. Civil enforcement officers regularly patrol the area to ensure adequate enforcement and any driver of an unauthorised parked vehicle will be liable to be issued with a penalty charge notice.
