Part B - Your representation (please use a separate sheet for each representation you wish to make)

Name or Organisation: City of London Corporation

1. Which part of the East London Joint Waste Plan does this representation relate to? (Please be as specific as possible)

Policy	JWP2 JWP2B JWP3	Implementation Text / Paragraph / Table / Figure / Policies Map	
--------	-----------------------	---	--

2. Do you consider the East London Joint Waste Plan: (please tick as appropriate)

a. Legally compliant	Yes	✓	No	
b. Sound	Yes	✓	No	
c. Complies with Duty to Cooperate	Yes	✓	No	

3. Please give details of why you consider the Waste Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The City of London Corporation supports the removal of the current **adopted policy W2** (ELWP, 2012) and the associated removal of the designation of the Dagenham Dock Sustainable Industries Park (and their Site at Plot 64) as a Schedule 2 area (broad locations identified for waste management facilities) in the emerging Reg 19 ELJWP (2025).

The City of London Corporation supports the replacement of **adopted policy W2** (ELWP, 2012) with **JWP2, JWP2B and JWP3** (Reg 19 ELJWP, 2025).

The most recent waste management capacity assessments demonstrates that there is a surplus of capacity needed for the management of current and forecast future waste arisings in East London (confirmed at paragraph 6.44 of the Reg 19 ELJWP, 2025).

The City of London Corporation own a site at Plot 64, Hindmans Way, Dagenham. The Site is currently empty / not in use. The City of London Corporation have previously engaged at pre-application with the London Borough of Barking and Dagenham and intend to bring forward a non-waste related proposal. As such, the City of London Corporation support the removal of Dagenham Dock Sustainable Industries Park (and their Site at Plot 64) as a Schedule 2 area.

Therefore, the City of London Corporation supports the inclusion of **policies JWP2, JWP2B and JWP3** and considers they are a sound and legally compliant approach.

4. Please set out the modification(s) you consider necessary to make the East London Joint Waste Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Waste Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Not applicable.

Please note In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s).
